POWER IN THE PAST.

No. II.

SY GARKELL.

SY GARKELL.

Perhaps the story of Damocles will more fully illustrate our meaning and show the constant dread rulers in ancient times were in of assassination of spirace. One day, as he was entarging, as anual, on the power of the king, of Byracuec. One day, as he was entarging upon the bappiness he entoging upon the bappiness he entoged in the powers of the king, extelling his grandour, and entogining upon the bappiness he entoged in the possession of entogeness and the gueste were essentially in the would like to exercise that power there are not like occasion. When all had been dome and the gueste were essentially and the king, willing to more thin, and as the same time of the lights that the proportion essential can be propared to honore this, coexaion. When all had been dome and the gueste were essembled, Danocles, claid in the royal robe the story of the past, to reburks and the gueste were same and account of the continuous of the proportion essential to the history of the past, to reburks and the gueste were essembled. Danocles, claid in the royal robe of the continuous of the proportion of powers and the deforence shown him. But not long did the exhilistation of powers and the deforence shown him. But not long did the exhilistation of powers and the deforence shown him. But not long did the exhilistation of powers and the deforence shown him. But not long did the exhilistation of powers and the deforence shown him. But not long did the exhilistation of powers and the deforence shown him. But not long did the exhilistation of powers and the deforence shown him. But not long did the exhilistation of powers and the deforence shown him. But not long did the exhilistation of the power and the deforence shown him. But not l
